

Federal Aviation Administration

Memorandum

Date: January 2, 2014

To: SEE DISTRIBUTION

From: David W. Hempe, Manager, Aircraft Engineering Division, AIR-100 

Prepared by: Madeleine Miguel, Engineering Procedures Office, AIR-110

Subject: ACTION: Newly Revised FAA Forms 8110-9, Type Certificate, and 8110-2, Supplemental Type Certificate

Memo No.: AIR100-13-110-800

The purpose of this memorandum is to supersede the two memos that we issued on March 18, 2013 notifying of revisions to FAA Form 8110-9, *Type Certificate* and FAA Form 8110-2, *Supplemental Type Certificate*.

Due to formatting errors associated with the original ".pdf fillable" version of these forms, we have revised those forms, including the instructions pages, and have re-posted them for your immediate use.

The revised FAA forms 8110-9 and 8110-2 will be referenced in the next revision of Order 8110.4. In the meantime, they are readily available electronically in the [FAA internal forms library](#) at https://employees.faa.gov/tools_resources/forms/:

[FAA Form 8110-9](#), *Type Certificate*

[FAA Form 8110-2](#), *Supplemental Type Certificate*
